## Class Weekly Newsletter

Friday 14th July 2017

### News From Class 3

We have had another busy week in class 3 this week. In literacy and numeracy we have been using the skills we have learnt all year and showing what we now know. The children have done really well to work really hard this week whilst the performances have been going on. The year 6 children have been writing their memories ready to share with you next week.

In art we have been putting our final Turner paintings together. We have been using the water colours effectively to make some lovely stormy sky and stormy sea pictures.

The children have all worked so hard for the performances this year and they have gone really well. All the children performed brilliantly and the soloist singers were fantastic. The stage crew kept everything running smoothly. I am so impressed by the dedication of the children and how they haven't let nerves get to them. They should all feel incredibly proud. Thank you to all the staff that have helped us put on a brilliant school play.

### News From Class 2

It has been an extremely busy week, full of excitement! We have been so proud of the Class 2 children in the summer performance. They have worked so hard to perfect their dances and Ewan has been an excellent helper to Miss Reinsch as stage crew. I don't know what she would have done without him!

We have been continuing looking at Roald Dahl this week. The children were challenged in maths to draw Roald Dahl characters to a specific height. There were some beautiful drawings and wonderfully accurate measurements.

We have also been learning about Quentin Blake and the illustrations he did for Roald Dahl's novels. We had a go at doing our own illustrations with black pens and watercolours. It was great fun and the illustrations the children produced were super!

### News From Class 1

We've had a very magical week exploring the wonderful world of Roald Dahl. It's lovely to see all the hard work the children have put in to learning their lines, dances, stage management, songs etc pay off! I hope you all managed to get tickets as it's an excellent show that really show what a talented school we are. We have also been learning about ❤️ Roald Dahl, finding out lots of facts about him and exploring the stories he has written. He really was an extraordinary man.

Also this week, we have been looking at dairy farms and looking at how they have changed over the years. Bob really showed off his knowledge from home which was excellent and helped us sequence the journey of milk from cow to Tesco!

The Reception children were excellent role models for our new starters and showed them our routines and rules. Peanut and Butter proved to be very popular and had lots of cuddles! The new starters were all excited for September now which is lovely!

**Message for Class 3:** I am so proud of the older children too. Seeing them on stage takes me back to when they were little when they were in my class and seeing them shine really brings a lump to my throat. The Year 6's have always been an absolute dream and they are a credit to our school. They will be very much missed but they're so ready for their next journey. Good Luck :) We are **so proud of you!**
