## Class Weekly Newsletter

Friday 7th July 2017

### News From Class 3

This week the children have been enjoying perfecting the play in our rehearsals. They have done really well to maintain their concentration and their acting and singing is wonderful. We have also been busy making props and making the costumes which the children have really enjoyed trying on. The stage crew have been working really hard to get the sound and lights sorted and they are great at sorting everyone else and the props.

In other news, we have been writing letters this week in literacy and practising our problem solving skills in maths. The children have shown how independent they are now at solving problems and have been working together on them really well.

### News From Class 2

It has been a great big whirlwind of play preparation this week! The children are so excited and everything is looking fantastic. Thank you so much to all the parents and helpers who have helped us to make the amazing costumes and scenery. We have 4 great dance routines to wow you with. Thank you to Mrs Romilly and Mrs Newcombe for your hours of sewing.

We have managed to keep up with our work this week as well! We have carried on looking at prepositions and then recapping word classes. I was impressed with how accurately the children could identify nouns, adjectives, verbs, adverbs and prepositions.

### News From Class 1

It has been a fantastical Roald Dahl mania week this week! We have been busy busy busy perfecting dance moves, getting costumes ready and really focusing on how to get on and off the stage without it looking chaotic! We have been practising everywhere. In the classroom, on the playground... even French day style! The children have been amazing during the play rehearsals. They have enjoyed watching the other children on stage and we have even heard them repeating the lines in their role-play! I hope you've all bought your tickets because it's not a show to be missed!

We want to take this opportunity to say a huge THANK YOU to Kristen! Kristen has made fantastic dragon fly costumes and head boppers for our bugs which really make their costumes come to life a bit more. We really appreciate all that you do for us.

This week has seen a lot of finishing off—last bits of measuring to tie the whole unit together. Which would be heavier? The Earth or an elephant? We have fun trying to work out the different problems. We also finished French day activities because Friday whizzed by especially with play practise in the morning. We have also finished some farming crafts we started on Farmer's Day.

We have also had some very exciting news.... Sonny is a big brother again! Congratulations to Sonny's family. We hope Reggie is enjoying his first experiences of the world. Sonny is very excited and we can't wait to meet the latest addition to our school family.
