Dear Lynn

**Ofsted Inspection of Glasshouses Community Primary School**

Please accept my congratulations for the successes that were recognised in your inspection report.

Receiving a good outcome, especially under this challenging framework, is a significant achievement and I am really pleased for you, the staff, governors and children. You must feel proud of what you and your team have achieved, especially considering the challenges that you have been facing over the last year and the additional work it has taken to get the school back on track quickly.

Thank you so much for all that you are doing and please accept my very best wishes for your future achievements. I know that you and the school team will build on these successes and continue to provide outstanding provision.

Once again well done, thank you for your hard work and good luck with the next stage of the journey.

Yours sincerely

Paul Brennan
