Spring Term 2017

Friday 3rd February 2017

Vehicle validation Forms

Mrs Hanson has sent a form home this week for parents who very kindly transport our children to and from the many events that the children attend. Could I please ask that this is completed and returned promptly. As part of our legal requirements we must hold a copy of this completed form on file for all parents transporting children other than their own, if you have not received a form could you please have a word in the office as soon as possible. Thank you.

Social Media – Snap Chat, Facebook etc

Could parents please be aware that some of our older children are using Instagram to communicate as part of a group. If your child has access to a tablet or phone you may wish to check if they have signed up for Instagram and if they are part of a group. Please have a look at the information on the website below which is very useful at giving advice as to keeping children safe.

Could I please ask that you monitor your child's usage to ensure that they are safe and are using the site appropriately. Many of these sites have age restrictions so please check that your child is using an age appropriate social media app.

I have spoken to the older children briefly about this and I will ask our online child protection visitor to include this as part of the planned online safety talk today.

Class 1 Trip to Pateley Museum

Our Class 1 children visited Pateley Museum yesterday. Thank you to all parents for transporting the children to and from the event and to all parent helpers on the day. Look out for photographs of the trip. The children enjoyed every minute and are hoping that they can visit with their families.

REMINDER – Choir Rehearsal – Sunday 5th February

Just a reminder that our choir will be attending a rehearsal on Sunday 5th February 1.30-4.30 at King James School, Knaresborough in the Challoner Hall. Please could parents ensure that children are wearing their Glasshouses jumper/cardigan. Thank you for transporting your child to this rehearsal.

Spring Term 2017

Friday 3rd February 2017

Harry Potter Day

What a fantastic day inspired by the Harry Potter books. School was full of characters from these very popular books. Children enjoyed a range of activities and Harry Potter inspired Literacy lessons.

Term Dates – 2017-2018

Please find attached to the main email, revised term dates for your information. Hard copies can be found on the Parent's noticeboard in the children's cloakroom.
