Spring Term 2017

Friday 24th March 2017

Arrival

Could I please ask that any parents bringing children to school after the 9.00am bell has been rung to please go to the rear door and ring the bell. Mrs Hanson will then let you in to the cloakroom and sign in your child on your behalf. Please do not use the front door, thank you. We have a group of children working in the hall each morning and late arrivals walking through the hall cause disruption for these children.

End of day Collection

Reminder school finishes at 3.30pm, Little Wheels at 4.00pm and after school clubs at 4.30pm with collection from the rear door. Could I please ask that parents collect children promptly and ring to inform us should you be delayed in order for us to keep your child safe.

Chickens

We have had great fun in school this week watching the eggs hatch. We now have 7 healthy chicks with one more egg to hatch. Thank you to the parent who kindly donated this experience for all our children to share. They have really enjoyed watching the chicks hatch and will be fully involved with looking after the chicks during the next two weeks.

Front Gate

It has been highlighted that the front gate is often left open when parents are leaving the premises. For the safety of all our children could I please ask that you close the gate after you on leaving school.

Year 6 Sats Breakfast

The Year 6 children and family members enjoyed an informative and tasty Sats breakfast yesterday morning. Thank you Miss Jones for your hard work in putting together the informative power point presentation and organising the catering. The Year 6's are looking forward to some more revision sessions hopefully accompanied by croissants!

Red Nose Day

We had a lot of fun in school today. Well done Ellie, Emma and Maisie for your fund raising stall and thank you parents for your kind donations.
