Class 2 Trip – Coldstones Cut and Quarry

Class 2 really enjoyed their trip up to Coldstones Cut and The Quarry. We were delayed in getting there due to the fog on Greenhow however we enjoyed a great afternoon exploring the area. The children enjoyed walking up to the Cut and were amazed when they could look down on to the Quarry from the look out point. The visit to the Quarry was very informative and the education officer, Shirley Everett, was fantastic in telling the children all about the rocks and the work in the Quarry. Thank you to parents for being so understanding of the re arrangements of the timing of the trip and for transporting the children.

Summer Term Menu and School Meals Arrangements

We have sent out copies of the Summer Term Menu. If you have not already returned your menu please do so on Monday. Please note that we are only able to accommodate children wishing to have meals every day or on a Wednesday and/or Friday. Apologies if this effects your child however lunchtime numbers were becoming very complicated and difficult to organise. Thank you for your understanding. As we are dealing with 50+ meals per day it has become a big daily administrative task. Could I please ask that you complete the menu along with your child to ensure that correct choices are made as we are no longer able to accommodate mid term changes.
