11 January 2019

Dear Parents and Carers

Happy New Year and Welcome back to a new term. I do hope that you have had a great holiday.

You will all be receiving your child's/children's class topic web, homework grid and letter tonight.

In addition to this, I would like to advise you all of our CHAMPS value focus this term. As a whole school we will be focussing on the 'A' of our CHAMPS values. This is looking at how we can approach challenges every day, both in and out of school, with a 'CAN DO' attitude. This value fits with the Growth Mindset character of 'Pete Persevere' (my favourite character, as you all know). If you have any examples of your child demonstrating this value outside of school, please do let us know either by dropping us an email to the office, putting a note in your child's home/school communication book or by letting the class teacher know when they are out in the playground in the morning or after school.

Please do keep an eye on the diary dates. These are published in the weekly Newsletter but there may be some additions or changes that happen throughout the school year. Mrs Gillies will remind you these via the Teachers2Parents text message service. Please ensure that the office always has your current mobile number to ensure that you are 'kept in the loop'.

I would like to inform you of a few changes happening in school. These only affect a few children but I would like to share them with you all. Miss Mitchell will continue to cover Mrs Malley's absence in Class 1 and I would like to extend my thanks to all who have passed on their best wishes for Mrs Malley's speedy recovery. Class 1 will also be taught by myself and Mrs Cryer on a Thursday afternoon and they will continue their Outdoor Education sessions with Mr Thompson and Mrs Cryer on a Friday afternoon.

Thank you for your ongoing support for the school. Here's to another exciting and successful new term!

Best wishes

Nicola and Team
